Marylou, please count me in on this conference call. As you can see from Tiffany's emails there was some confusion about who would be on the call.

Also please include the Coeur d'Alene Tribe on the list of Tribes requesting Government to Government consultation on this matter. As you may be aware the Tribe has long standing water quality standards awaiting approval by EPA and would like to discuss how this action on Idaho Toxics Criteria may affect this approval process.

Finally please contact me next week to discuss when and how consultation will occur.  
Thank you,

Scott Fields  
Water Resource Program Manager  
Coeur d'Alene Tribe.
